## Applying to UCAS for 2025 entry

Although you will not be able to submit a UCAS application until the 3rd September 2024, you can now make a start on filling out your application for 2025 entry. If you would like to make an early start on your application your tutor is able to support you with this and you can link your application to us.

As a start point look on the toolkit tab of your learner account for advice on how to apply to UCAS - there is a slide show, lots of guidance, and links to useful information on the [UCAS website](#).

**Personal statement changes:** You may have heard in the news that UCAS are replacing the personal statement with 3 questions. This hasn't happened yet, and for applications made for 2025 entry you will still need to write a personal statement - there's lots of help and guidance on how to do this [here](#).
